CROSSCUT GAS PARTNERS

SCADA Alarm Text Notification Consent Form

About the program

Crosscut Gas Partners (CGP Operating, LLC) sends automated operational alarm notifications by text message from its SCADA monitoring system. Messages alert employees and on-call personnel to conditions at monitored fuel gas sites, such as high or low pressure, high or low flow, low battery voltage, shutdown valve changes and communication loss.

Important information

Voluntary: Enrolling in text notifications is optional. If you do not enroll, you will receive alarm notifications by email instead.

Message frequency: Varies based on alarm conditions at monitored sites.

Cost: Message and data rates may apply.

Opt out: Reply STOP to any message to stop receiving texts.

Help: Reply HELP to any message, or email scada@crosscutgas.com.
